In Days Gone By

*Uncle Chas. & Aunt Laurine
MARRIED 1900*

100 Years Ago--October 15, 1908

From Jack Creek: We are sorry to send in the report of Andrew B. Anderson's death which occurred at his home in this township Monday evening at 5 o'clock, after a short illness with typhoid fever.

From the Lake Road: Walter Cummins is putting in a cistern for R. W. Christopher.

From Swea Township: Conard Eckholm of Seneca is seriously ill with typhoid fever.

Wanted--Honey on subscription at the JOURNAL office.

Chestnuts--Mrs. Charles Ogilvie received Tuesday about a peck of chestnuts by express from her brother, George Bunt of North Windsor, N.Y. She greatly appreciates the remembrance from her brother whom she has not seen for more than 25 years.

Accident: Monday morning Mrs. D. H. Jenkins stepped upon a chair to reach for something on the top of a cupboard, when she lost her balance and fell to the floor. In doing so she struck the bedstead in such a way as to break the small bone of her left wrist. She is getting along nicely, but as she is 86 years old it will be quite slow in healing.
